Working Hard
Every Day.Governor Nash Gets In
the Game.Akron's Football For
Saturday.Cresceus Failed to Lower or Ap-
proach His Record.

Barney Furey went into training at Cincinnati Thursday for his coming battle with Art Simms. It is said that he knows he is to be confronted by tough game and will get into the best possible condition for the fight. He intends to work several hours a day at the West End athletic club and feels that he will win. Possibly if he had ever met Simms before he would put in a few extra licks, along the line of hard work, just for luck.

Art is working hard every day at the South End club and will take no chances as he has several hard fights before him in the next few weeks. He has no fear of defeat in any one of the battles, but does not overlook the truth of the fact that an accident in one of the fights may disable him so that he will be easy picking for his next opponent.

Charley Green works with him every day and hard training has begun. Simms also does much work with others of the local pugs, ranging from heavyweights to featherweights and claims to be feeling fine and having a premonition that he will win from Furey and his later opponents. Thus, from Simms, has always been prophetic, and his friends are confident.

"A" TEAM WON.

The "A" team won both games at the Kirkwood club Wednesday night, the "D" team losing the first game by four pins and the second by 148 pins. The "B" and "E" teams will bowl Friday night. Following is the standing of the clubs:

Won	Lost	Won	Lost
A.....5	1	D.....2	4
B.....2	2	E.....3	1
C.....2	3	F.....1	4

SETTLED NOW.

Although matters have turned up time and again to delay and complicate the arrangement for the Ruhlman-Jeffries fight, it seems that it is settled at last. At a meeting between the principals Wednesday night Harry Corbett was decided on as referee and the date was set for the evening of Nov. 15.

ENTER GOVERNOR NASH.

Governor Nash placed himself on record in regard to the fight that is being arranged to take place in Ohio towns. In the first place, the Manhattan club, which was to pull off a fight between Kid Ashe, of Cincinnati, and Red Connolly, of Fond Du Lac, last night, will probably lose its charter.

Attorney General Sheets filed a suit against the club in Circuit court, to annul its charter on the plea that its members were about to engage in unlawful business. Now that Governor Nash has started, there is no telling where the agitation will stop. It may be that after Art Simms goes to Cincinnati to meet Barney Furey and the time comes for him to go to Detroit to meet Martin Duffy, he will be forced to wire some such a message as the following to the Twentieth Century Athletic club: "In jail. Can't come."

TOMORROW'S GAME.

The victors in the foot ball contests of last Saturday will battle for the supremacy on the foot ball field at Summit lake park tomorrow. The South Ends want to repeat the performance of a week ago, so do the Planets. Both are confident that they will defeat their ancient opponents and a good game is expected, the cold, snappy weather promising foot ball of a brisk kind. The last game played by these two teams at Summit Lake park resulted in a score of 0-0.

TERRY'S EYESIGHT GOING.

Terry McGovern is losing his eyesight. The little champion is forced to wear glasses and has reached a stage where he can scarcely see to read without them. This is thought by many to be due to the fact that he has been jabbed and pounded about the eyes and forehead so much that his eyes have been injured in that way. The fighter himself says that it is an inherited weakness, as his parents were similarly affected.

WILL BE INTERESTING.

The go between Jack Palmer, of this city, and Tommy Gibson, which has been arranged as one of the preliminaries to the Simms-Duffy fight at Detroit, promises to be not the least interesting part of the show. Gibson is the bantamweight champion of Michigan and has fought good fights. Palmer is a ringster of reputation and has figured in some hot contests. He has gone into training and will get into condition at once.

MCGOVERN STARTLED THEM.

Terry McGovern was a success as starter for the running races at Cleveland, Thursday. Jockeys did not get unrunly for more than a very short time and one severe calling from the champion, who threatened to "come over and knock the block off" an aggressive jockey, was sufficient. An enormous crowd saw the races, despite the rain.

BREWSTER NOT STRONG.

Brewster will not play in the game of Cornell against the Indians, according to present calculations. His shoulder is still tender and scarcely strong enough for the strain. He tried it in dummy tackling Thursday and was forced to quit.

GOOD ENOUGH.

The intense cold of Thursday and the strong wind that blew at Columbus prevented Cresceus from breaking his record in the trial that was made there. The best time possible under the conditions was 2:03.4.

BUCHTEL VS. GARRETTVILLE.

The football team of the Buchtel academy has been to considerable expense to bring the team of the Garrettville High school here for the football game that will be played on Buchtel field Saturday and they are working hard to make the game successful financially, as well as an example of good ball.

The Garrettville team is strong and will try to win, if it be possible. The Buchtel academy lineup will be as follows:

Tiehorn, center; Patterson, I. G.; Gayer, I. T.; Sears, F. E.; H. Knight, R. T.; Donohue, quarter; Koplin, I. C.; M. Knight, R. C.; Roberts, R. H.; Weary, fullback; Weeks, I. B.

BOWLING BITS.

The O'Neils lost two out of the three games they played against the Magic City at Barborton last night.

The Maroons and the Ultras will bowl a match game on the Grand al-
